**IMPACT
WRENCHES**

Cordless Impact Wrenches 1/2" Drive

Strong yet lightweight composite construction, evenly balanced design & compact profile makes the GROZ Cordless Impact Wrenches ideal to get THE JOB DONE

Ideal for loosening & tightening lug nuts, driving long bolts & assembling heavy structures

Lightweight Construction

Minimizes user fatigue in continuous applications, overhead applications etc.

BLDC Motor Technology

High efficiency, consistent power output, reduced downtime ensuring lower maintenance and longer tool life

Advanced Battery Management System

Protects against overcharging, overheating and short circuits, ensuring longer battery life and reliable performance

Reverse Auto Brake Switch

Enhances user safety and operational control by automatically stopping tool rotation immediately after the fastener is loosened

3 Variable Speed Settings

Optimized speed and torque control, for efficient performance in heavy-duty and precision tasks

One-Hand Forward/Reverse Control

Enables quick and effortless directional change

Lock-off Trigger

Prevents accidental start ensuring user safety
